Repairing the water supply steel tank at Davanagere

Continuation Sheet | File No / Current No | of 6/12 | Page

S/ The estimate for Rs 11,185/- for improving the water supply steel tank at Davanagere may be approved. It will be seen from the previous page that the financial condition of the Davanagere Town Municipality is quite sound & it has plenty of money in hand. It can afford to meet the above expenditure out of its funds without any grant from the Govt which need not therefore be sanctioned.

SECY LAW DEPT
Sir
GOVT OF MYSORE

In forwarding herewith letter No H C 3/43-44 dated the 2nd July 1943 received from the President, Town Municipal Council, Davanagere, forwarding an estimate amounting to Rs 11,180/- for repairing the existing Water Supply Steel tank at Davanagere, I have the honour to state that the estimate received from the Sanitary Engineer, Bureau of Sanitary Engineering was placed before the Municipal Council at its meeting convened on the 14th June 1943 when it was resolved that the steel tank may be got repaired at a cost of Rs 11,180/- and that Government be requested to kindly sanction half its cost by way of grant In this connection, I invite your kind reference to this office letter No A6 C. 3232/41-42 dated the 18th March 1943 intimating that the condition of the existing steel reservoir "is alarmingly bad and that if immediate action is not taken great trouble for water supply will have to be anticipated. I therefore request that Government may be pleased to accord sanction to the estimate of Rs 11,180/- as recommended by the Municipal Council and a grant of half the estimated cost Necessary provision has been made in the budget estimates of the current year to pay the Municipal quota of the cost of the work in question.

P.T.O.
